

Yard Elves

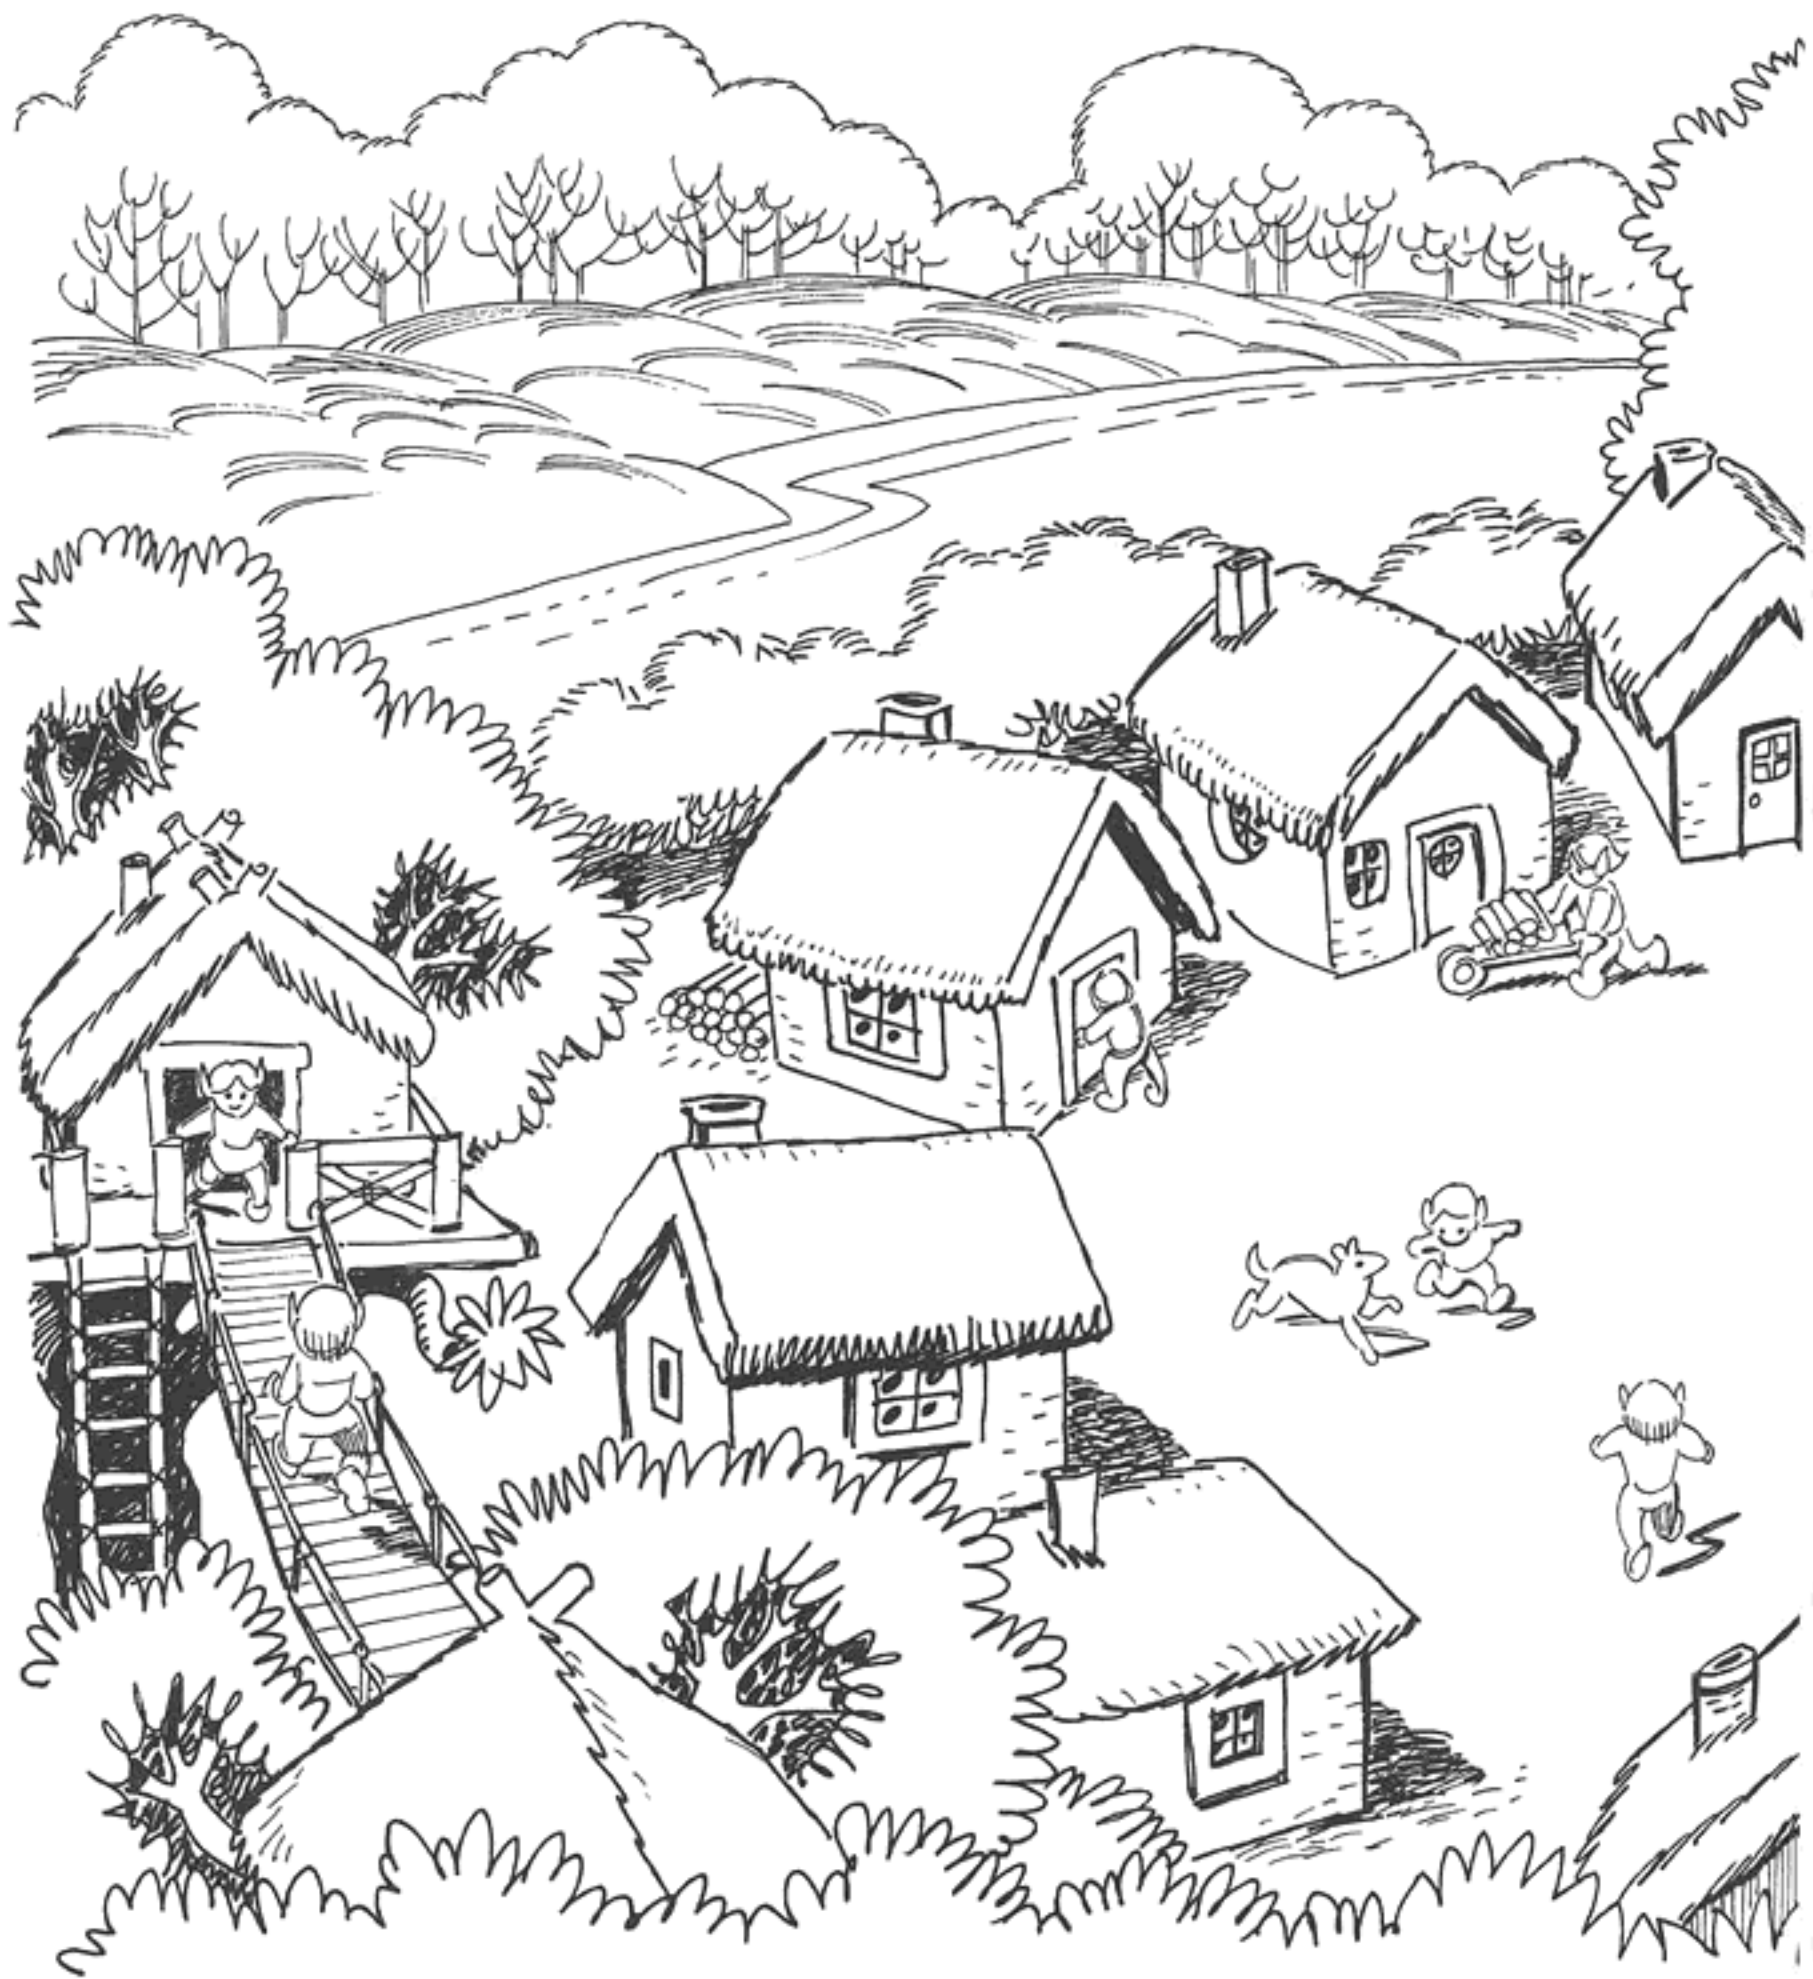

PRESENTS

**AN ELF COLORING
ADVENTURE**

DEEP IN THE MOUNTAINS OF COLORADO
IS A HIDDEN LAND OF WOOD ELVES.

WELCOME TO SUMMERSONG,
THE CENTER OF THE
ELF KINGDOM.

BUILT AROUND THE SPECIAL EAGLE
POLE, THE ELVES LIVE IN AND
AMONGST THE GREAT TREES.

BUCK AND MULCH LOVE TO FISH. THEIR
NETS ARE MADE FROM SPIDER WEBS.

ACORN AND WILLOW PICK
FLOWERS TO DECORATE THEIR HUTS.

BARK IS THE BEST BUILDER
IN SUMMERSONG. HE LEARNED HIS
CRAFT FROM THE RIVER BEAVERS.

BROOK LOVES TO PLAY HER FLUTE.
ELVES LOVE TO DANCE
AND HAVE FUN.

MOTHER MERRY HAS THE CHILDREN
PICK BERRIES TO ADD TO HER
DELICIOUS CAKES AND MUFFINS.

THE WOOD ELVES TAKE CARE OF
THE FOREST. AFTER FIRES
THEY PLANT NEW TREES.

THE ELVES ARE VISITED BY THE
EARTH SPIRIT, NUELLE, WHO
GUIDES THEM. HUMANS CALL
HER MOTHER NATURE.

NUELLA HAS COME TO BLESS
THORN AND SHADE'S NEWEST
BABY DAUGHTER.

WHAT SHOULD THEY NAME HER?
DO YOU HAVE ANY IDEAS?
